Add a half teaspoon of vanilla and a half teaspoon of lemon juice for flavoring. Be sure to beat this dessert until light and fluffy and to refrigerate it for no more than half an hour before serving.

United Fund Aim Aired
At Tri-Towns Meeting

Valley Student
Group Presented
Y Award Banner

LONACONING — Lawrence W. Dehn, program secretary of Central YMCA, Cumberland, presented an award banner to the Junior Tri-Tri-Y of Valley High School at a meeting of the group Tuesday afternoon.

The banner, Dehn explained, was being awarded because of the activities sponsored by the Valley High group last year.

Robert Love, president, presided at the meeting. Welcome greetings were extended to a large number of new members.

Fund raising activities were discussed and four projects were named, and the committee for each appointed.

A bake sale will be held Saturday, October 5, at Love's Store. Roberta Love is chairman, assisted by Deanna Steiding, Betty Kirkwood, Linda Poland, Rita Duckworth and Kay Green.

Post in one all-out effort for the County United Fund which should do all but guarantee that the Tri-Towns drive will be successful.

Participation in the CUF will also guarantee a more equitable distribution of the total collected — the CUF quota is \$250,000, he pointed out — since the amount needed by the participating organizations is decided on by residents of the communities in which they are located, Miller explained.

Management, labor and industry throughout the area have indicated their approval of the County United Fund idea, Miller stated, and it is only through this cooperation that the drive can be successful. There will be no house-to-house solicitation in the campaign, since all individuals will be contacted through their work, business affiliations or professional connections.

Miller also stressed that the "giving" to the CUF campaign is purely voluntary and will be pledged through deduction plans at businesses or other such groups. He predicted that the idea will be so "contagious" that all portions of Western Maryland will eventually be united in the campaign. Already, Garrett County has indicated interest in the County United Fund.

Miller said he expected to name his chairman soon. A tentative goal of \$23,000 has been set for the area but a definite quota will be made after he has appointed a working group.

Attending besides Hudson and Miller, were Mayor Robert F. Baker of Piedmont, Mayor Okey Mitchell of Westernport, Rev. Robert M. Campbell, A. Trago, Brunt, William Devins, Dr. Lawrence Fanti, John Rose, Elmer Shaver, Kenneth Sheelz, Mrs. Jake Wilson, Mrs. Benjamin Mamolin, Harold Fredrick, H. G. Dixon and William Thompson.

MT. SAVAGE — Mr. and Mrs. Robert J. Crump entertained with a wieners roast at their home in honor of their daughter, Barbara Sue, and her fourth grade classmates at the Mt. Savage School. Outdoor games furnished entertainment.

Between 35 and 40 Allegheny County men and women are expected to leave the Court House here by bus at 8 a. m. October 16 on the tour.

First stop on the travels into Maryland's westernmost county will be to see the turkey and laying flock of Mr. and Mrs. Harry Glaser, who bought the former Humboldt Turkey Farm about one mile south of U. S. Route 40 just east of Grantsville. They have some 4,000 turkeys.

Then the tourists will cross the Mason and Dixon Line to Springs, Pa., to see the 2,500 Leghorns in the flock of Edward Davis. These hens are in a house equipped with a slatted wood floor.

Another pre-lunch stop will take the group to the turkey farm of Robert Glatfelter of Blittinger, president of the Garrett County Turkey Growers Association. He owns 7,000 Beltville white turkeys which use a pole-type turkey house. They also will go to the farm of Clark Schlossnagle at Hoyes to see his 4,000 broilers in a cement block building.

After lunch at Northern High School the Allegheny County farmers will visit the farm of Harold Gnegy, who owns 7,000 broilers north of Oakland. They also will visit Garrett County's newest industry, the Sterling Processing Corporation, at Oakland. It has been in operation since April and employs 100 persons. Final stop will be at the poultry laboratory operated by Dr. Donald Glatfelter, veterinarian, at Oakland.

Wide Variety Of Meats Offered At Stores

By The Associated Press
Meat prices are shaded a bit lower this week as supermarket meat experts offer a wide variety of "specials" designed to catch the housewife's eye.
Total meat supplies this year are expected by federal seers to run about 3 per cent below last year's record volume. This week, however, pork chops are 4 to 6 cents lower in many sections and sirloin steaks are as much as 10 cents a pound cheaper in a small number of places. Leg of lamb is 2 cents cheaper in a few places.
Hams, Chickens Featured
Hams, chickens and various cuts of roast beef will be the most frequent feature items in the nation's chain and neighborhood stores. You can get a special on anything in beef from chopped chuck right up to porterhouse steak by shopping around, while most of the hams are the popular smoked variety. Items like oyster stew, calf's liver and smoked tongue also are featured in some places, although not widely advertised.
Coffee-lovers who exulted at last week's 4 to 6-cent reductions may get some more good news soon, thanks to a bumper Brazilian crop which may top last year's by 40 per cent when it starts coming in next month. A further decline of as much as 8 to 10 cents a pound by the end of the year is expected by some.
Cauliflower, onions, potatoes, cucumbers and green peppers head the list of vegetable buys this week, market may say, with supplies still available from nearby fields in most sections of the country. The last two are expected to be in larger supply than a year ago, although the overall production of late-summer vegetables is expected to be moderately smaller than both last year and the average.
Carrots and celery are among the vegetables which are figured to be substantially scarcer than in 1956, although so far they are moderately priced. Carrots are even a shade lower than last week.
Other good vegetable buys are available in snap beans, brussels sprouts, cabbage, egg plant, squash, tomatoes and sweet potatoes. Sweet corn is on the way out in most places, and therefore growing more expensive.
Steadily-increasing supplies are easing the prices of assorted varieties of apples, with the fall harvest just getting into full swing. Grapes also are a good buy for the bargain-minded housewife. Pears show a higher tendency and peaches, too, are growing more expensive as supplies dwindle. Cantaloupes and honeydews head the melon list, while watermelons finally are more expensive after a strong summer.
Another sure sign of fall in the markets—first cranberries of the season in scattered areas.

Pancakes Crown Chicken a la King

KING-IN-ROYAL-ARRAY: Chicken a la king, wrapped in paper-thin pancakes, makes for regal eating.
By CECILY BROWNSTONE
Associated Press Food Editor
Pancakes are fancy fare when you make them paper-thin and fill them with chicken a la king. Just the sort of main dish "the girls" will enjoy when they come over for a luncheon.
These pancakes are made from a very thin batter and cooked one at a time, in a six or seven-inch skillet. For the filling, use frozen or canned chicken a la king and save yourself work.
Pancakes a la King
Ingredients: 1/2 cup sifted flour, 1 teaspoon baking powder, 1/2 teaspoon salt, 1 cup milk, 2 tablespoons butter or margarine, 2 eggs, extra butter, 2 cans (10 1/2 ounces each) chicken a la king, 2 tablespoons cooking sherry, 3 slices bacon (cooked crisp and crumbled), toasted slivered balanced almonds (if desired).
Method: Sift together the flour, baking powder and salt. Heat milk and 2 tablespoons butter in a small saucepan over low heat just until butter melts; remove from heat to cool slightly. Beat eggs with rotary beater (hand or electric) until yolks and whites are combined. Gradually beat in the milk-butter mixture, then add the flour mixture and beat until smooth. If batter is not entirely smooth, put through a fine strainer; it should be about as thick as cream. Use a 6 or 7-inch skillet with curved sides and melt teaspoon butter (or a little more) in it; tilt and use a pastry brush or small spatula to see that the bottom of the pan has a generous film of fat. Have pan quite hot and pour in 1 1/2 to 2 tablespoons batter; hold skillet above heat and tilt and swirl so batter will just cover bottom. Cook rapidly until just browned on bottom; it is not necessary to turn pancakes. Add a little more in it; tilt and use a cook each pancake; keep them warm when you turn them out. Meanwhile heat chicken a la king according to directions on can and stir in sherry. Spoon a little of the chicken a la king on the unbrowned side of each pancake and roll up. Use remaining filling for topping; sprinkle with crisp crumbled bacon, and almonds if used. Serve at once. Makes 6 servings—3 or 4 pancakes for each serving.
How To Keep Milk From Scorching Pan
Milk can be kept from scorching the sides of the pan when heated.
Rinse the pan in very hot water first. This should prevent scorching.
A little currant jelly leftover? Mix it with salad oil, lemon juice and a dash of salt; use it as a dressing over a salad of romaine and fresh pear.

Apple Stuffing Cheese For Muffins

Do you usually add celery to your bread stuffing for poultry? Next time try substituting chopped apple for part of the celery.
Add 1/2 cup grated cheese to the sifted dry ingredients in a family-sized muffin or biscuit recipe.

Civil Defense Leaders Satisfied With Alert

Motorists and pedestrians of Cumberland and Allegany County responded "quite good" last night during a Civil Defense Air Raid Alert.

This comment was made by William G. Barger, county CD director, who said traffic halted along the main arteries of Cumberland and those approaching the city limits.

He said traffic throughout the county came to a halt with the exception of some isolated places where motorists may not have heard the "take cover" signal sounded at 6:45 p. m.

Barger said volunteer fire companies of the county "stood by" during the five-minute alert. He was at the CD headquarters in Constitution Park monitoring radio traffic, which was quite heavy during the simulated air raid.

He said the overall purpose of the raid was to acquaint the public with public signals.

A communication setup in the county notifies police, firemen, hospitals and hotels as well as industry within minutes of an expected attack.

Explorer Scout Post 10 of LaVale was tested on emergency mobilization last night. They were given a mission of distributing CD instruction cards to residents of that community. They were called about 6:15 p. m. when the alert was sounded and given about half an hour to gather at LaVale Methodist Church to distribute the cards.

Arthur B. Gibson, CD coordinator for the city said the alert results were "satisfactory" and he received favorable reports from the various workers of the city.

He was on the job near his home on Braddock Road and commented some 20 or more cars had come to a halt, although one driver decided to drive around the parked cars to learn what was going on.

City Police informed Gibson that the response was good along the city streets.

At Central Fire Station, the nerve center of the county, some mechanical difficulty occurred in the master control box for the CD sirens in the city.

Fire Chief Virgil A. Parker was able to keep the "take cover" siren going. He said that this morning a local electric company will be notified to put the master box back in shape.

City police received a number of inquiries by telephone after the alert sounded at 6:15 p. m. One resident was wondering if the alert was real, another wondered why the sirens were blowing, and another said apparently the electricity was being tried out.

There were exceptions to the smooth workings of the alert. One police officer said that in

general auto traffic came to a halt downtown, although there is need of more "teeth in the law" governing CD procedure during a raid.

One observer noted that some persons continued to walk along Bedford Street rather nonchalantly. One man and two little girls took cover at City Hall and were apparently confused as to the all clear. They came back out into the street and walked to their car.

Shortly after the "all clear," volunteer companies throughout the county began reporting to Central. Such companies as La-

Vale and Bowling Green said traffic had stopped in those communities.

No Objections To Armory Site Given

The Allegany County Board of Commissioners has no objection to the use of a portion of the County Garage property in the North End for a U. S. Army Reserve Center so long as the installation does not interfere with the operations of the County Garage.

William H. Lemmert, president of the county commissioners, has sent a letter to Col. J. L. Keefe, U. S. Military District, Fort Holabird, Baltimore, outlining the county's position. Col. Keefe had written the commissioners August 7 expressing an interest in the property.

The area in question is north of the County Garage and east of Stitzer Field.

Lemmert's letter emphasized that the county commissioners

had not been able definitely to determine the scope of the area considered as the possible site of the center but have no desire to indicate any lack of interest in this center.

The county commissioners are willing to consider a portion of the county property as a possible site for the reserve center provided the building will be located above the stock pile of crude stone on the garage property.

It was suggested that a survey be made before proceeding further so there will be no mistake as to the extent of the center. Lemmert closed by saying that the commissioners would be pleased to discuss the matter further with a representative of Col. Keefe.

Confederate Soldier Returns To Virginia

APPOMATOX, Va. — The marble statue of a Confederate soldier is back on its pedestal here after a three-year absence and Sheriff David T. Robertson is the modern hero of this Civil War surrender ground.

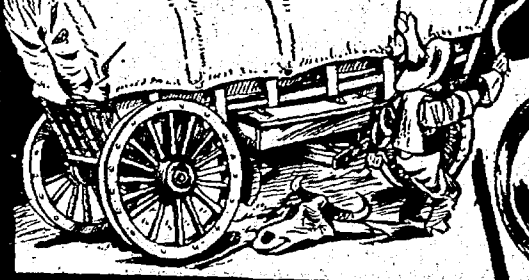

The statue was toppled by Hurricane Hazel in 1954. It shattered into many pieces. Souvenir hunters carried some away. Pleas by Robertson in newspapers caused return of the souvenir pieces. After three years he got all together with dental cement and the statue was rededicated.

Six persons committed suicide as a result of a slave insurrection and twenty-one were executed as in New York in 1712.

Keyser Out To Tie Record Win Streak Tomorrow

Clark Eleven Plays Beall, After Alco's 19 Straight

Potomac Valley Conference football games and the Beall-Alco contest top tomorrow afternoon's grid card with the Golden Tornado out to equal the longest win streak ever compiled in the area.

Coach Fred "Tack" Clark's charges, entering the season with the biggest victory string in not only the district but the state of West Virginia as well, will be after No. 19 when they tangle with the Mountaineers.

Enter With 16 In Row

The Golden Tornado has been feasting on Panthers in two starts this season with a 14-6 win over Charles Town and a 19-0 decision against Parsons last week. Keyser had won 16 in a row since losing to Allegheny near the mid-way mark of the 1955 campaign prior to this season's opener.

And it will be the 19 straight compiled by the 1941-42 Alco eleven that Keyser will be shooting to equal. No other team has ever reached that mark, although Fort Hill clubs twice compiled 18-game win streaks before being halted.

Beall was thoroughly drubbed by Allegheny in last week's 30-0, and will be a decided underdog against the Keyser crew. Coach Gerry Calhoun has two regulars on the disabled list and they will be out of tomorrow's game.

Bill Hyde, first-string quarterback and the team's top passer, will be on the sidelines with a shipped thumb while center and defensive guard Gary Taylor has a twisted knee. Both were injured in the game with Allegheny.

Three seniors with varsity duty from last year have reported late for drills and are expected to see plenty of action. Jack Hunter, tackle, and Jim Patterson, halfback, and Wayne Knepp will be used by Calhoun. George Allen, 165-pounder, will fill in for Hyde at the signal-calling post.

Tornado Holds Edge

The game is the ninth in the modern series between Beall and Keyser with the Golden Tornado having won five and Beall three. The Clarkmen have taken the last four in a row, winning in 1956 by a 20-0 score.

Leadership in the Potomac Valley Conference is at stake when undefeated Petersburg faces unbeaten Moorefield on the Vikings' gridiron. The Vikings are in front with two wins for as many games while the Jacks took their only start with a 26-0 rout of Southern of Oakland last week.

Petersburg, where "Honey" Crites is in his second season, has also trimmed the Highlanders, winning a 27-7 game in the last game in the series, and coming up with a 26-0 win against West Virginia School for the Deaf of Romney last week.

The series is one of the oldest in the tri-state area with the eleven having tangled 27 times. Moorefield has a big edge with 21 victories to only four for the Vikings. The last time Petersburg was able to pull the trick was in 1937 when they were on top, 7-0. The teams played to a pair of ties, 0-0 in 1953 and 7-7 in 1952.

Berkeley Springs can take advantage of a loss by either the Vikings or Jacks and keep near the top with a triumph over Ridgeley when the two collide at Berkeley Springs. The Indians have a pair of wins for as many attempts, including a 26-0 rout of Circleville in PVC action. The other conquest was the 25-6 trimming of Hancock last week.

Indians Scalp Hawks

Ridgeley, after getting away to a fine 18-6 win over Hancock, came up against too many Indians last Friday when Circleville ran over the Hawks, 32-0. Tomorrow's contest is the 15th between the schools in the rivalry that got started back in 1936. Berkeley has won only three times with the Hawks bagging 11.

Southern will be hoping to shake its losing ways when the Oaklanders meet West Virginia Deaf tomorrow at Romney. The Southerners have lost both PVC outings while the Lions have the 26-0 loss to Petersburg to show for their only attempt thus far. This is the fourth meeting in their series with the teams splitting victories and playing to a 6-6 deadlock in the 1954 opener.

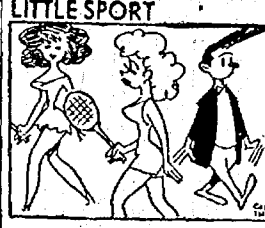

Rounding out the card will be Romney playing host to Franklyn. It is the first league action for both although the teams have 0-1 records. Franklin was battered by Greenbank, 38-0, and the Pioneers were handed a 19-6 reversal by Charles Town.

Circleville goes out of the conference and travels to Greenbank to meet the powerful Farmers. The Indians are 1-1 with a 26-0 loss to Berkeley prior to whipping Ridgeley last week.

CVAC To Open

The rest of tomorrow's activity will be under the lights with the Cumberland Valley Athletic League launching its campaign while LaSalle will be out of town against Delone High at McSherrystown, Pa.
